Nestled in a quiet, secure complex, this charming updated 1-bedroom, 1-bathroom ground floor unit offers a rare combination of privacy, practicality, security and comfort – perfect for first-time buyers, downsizers, or investors, this well-maintained residence boasts a rare feature – a fully fenced yard with green space, perfect for relaxing outdoors or enjoying your morning coffee in peace and letting your pet roam

A standout benefit of this unit is the laundry room located directly across the hall – offering ultimate in:

Energy efficiency: save on your electricity bill by not having operating costs

Cost savings: Not having to purchase expensive washer and dryer set

The modern kitchen has been thoughtfully upgraded with quality finishes and plenty of storage. The bright and airy living space opens directly to your own patio and green space. With underground heated parking, you’ll enjoy comfort and peace of mind through every season. This smartly designed home is move-in ready and offers excellent value with
