DT Zoning so bring your imagination for the space. To support an active, thriving, mixed-use downtown with high quality public spaces,

successful businesses, pedestrian connectivity, and street-level activity. Development is characterized by a larger scale of mixed-use buildings than is possible elsewhere in the Valley. New development enables a diverse streetscape with a strong relationship between buildings and the street. Residential development consists primarily of buildings with multiple dwelling units, and in many cases, ground floor commercial uses.

Built in 1935
