**** Welcome to this character home in the hamlet of Keoma, Alberta. Built in the 1930s, this property combines heritage charm with several practical updates, including triple-pane windows (approx. 4 years), a wrap-around deck (5 years), a new hot water heater (1 year), and a new well pump (June 2025). The main floor offers a cozy living room with a wood-burning fireplace and built-in shelving, a functional kitchen, a 3-piece bathroom with generous linen storage, and convenient main-floor laundry.
